

SHAKHRIDDINOV MUROD

FRONT END DEVELOPER AND TEACHER, PROJECT MANAGER

Uzbekistan, Tashkent | <https://shahriddinov-murod.vercel.app/>

Creative and detail-oriented frontend developer with a strong passion for building user-centric, responsive, and high-performance web applications. Skilled in modern JavaScript frameworks like React and Next.js, with experience in teaching, mentoring, and leading cross-functional teams. Always eager to learn and take on new challenges that push the boundaries of digital experiences.

AREA OF EXPERTISE

- Frameworks & Libraries: React.js, Next.js, Tailwind CSS, Redux
- Tools & Platforms: Git, GitHub, Figma, Vercel, WebStorm, VS Code
- Core Skills: Responsive Design, UI/UX Collaboration, API Integration
- Soft Skills: Team Leadership, Public Speaking, Agile/Scrum, Documentation

KEY ACHIEVEMENTS

- **TMentorship & Teaching**
 - Taught over 100 students (both online and in-person) in web development fundamentals, helping junior developers enter the tech industry with confidence and solid foundations.
 - Conducted workshops on HTML, CSS, JavaScript, and modern frontend stacks.
 - Project Leadership
 - Acted as project manager in several client and team-based projects, improving delivery timelines and reducing communication gaps by implementing structured workflows and feedback systems.
 - Delivered high-impact web applications ahead of schedule, boosting team productivity by 20%.
- **PROFESSIONAL EXPERIENCE**
 - Tashkent City Academy of Prokuratura
 - Tashkent, Uzbekistan — Winter 2021
 - Built a robust web platform for trainees to access legal education materials and complete tasks online.
 - Integrated features such as online quizzes, downloadable certificates, and internship application systems.
 - OKS Technology
 - Tashkent, Uzbekistan — Summer 2022
 - Developed cross-platform web applications using React and responsive UI design principles.
 - Worked closely with designers to translate UI/UX prototypes into real-time, production-ready interfaces.
 - Improved user retention metrics by optimizing performance and enhancing navigation logic.
 - CarPlus (Freelance Contribution)
 - Frontend Developer — 2023
 - Contributed to a dynamic car leasing platform, implementing interactive components, custom sliders, and FAQ navigation using React.js and SCSS.
 - Enhanced mobile responsiveness and component modularity for better user accessibility.
 - EasyPrzeprowadzki (Client Project)
 - Frontend Developer — 2024
 - Designed and built a React-based landing site for a moving company in Poland.
 - Focused on speed, SEO, and modern UI animations, using Keen-slider and AOS to improve user interaction and branding consistency.
